

Winter 2011

Dear Kendall Resident,

For the past five years the Kendall Community Park Committee has been working diligently to design and establish a community park that will provide a safe, enjoyable, attractive, park-like setting for our community, which will enrich the quality of life for residents and visitors alike and preserve it for future generations.

It is our sincere belief that the Kendall Community Park has already begun to enrich our lives. We have held two concerts in the park enjoyed by all who attended. In January 2009, a packed High School auditorium witnessed the world premier performance of the Kendall Community Chorus with the proceeds donated to the park. You only had to spend a few minutes at the park this October to see the joy and camaraderie in the people who attended the scarecrow festival or the fellowship experienced by those who braved the cold to sing Christmas carols at the lighting of the community Christmas tree the past three years.

To continue to make the entire park a reality, we are asking you to participate in this fund raising effort. Your tax deductible donation will go a long way to build gardens, walkways, benches, etc. to further beautify our community park.

The park has brought out the best in our community and has created a groundswell of good will among its residents. The Kendall Community Park will be a showcase for Kendall's beauty and the vast pride felt by all as it hosts upcoming Bicentennial and community events.

Thank you for considering our request to donate to the Kendall Community Park.

Thank you,

Kendall Community Park Committee

Ed Gaesser, Sue DeRoller, Alesia Bosko, Mike Cusimano, Barb Flow, Sue Grolling, Nadine Hanlon, David Schuth, the late Ray Ernenwein and the late Muriel Doyle.

I want to make a positive difference in our town by contributing to the
